### **Social Distancing and Other Procedures:**

The HHW events include social distancing measures that help mitigate the spread of COVID-19. In accordance with Governor Northam's Executive Order 63, members of the public will be required to wear face coverings at the point of service. Because of safety concerns related to various types of hazardous materials, the events feature a drive-through process in which residents are instructed to remain in their vehicles and allow event staff to unload any items accepted for disposal. In order to achieve adequate social distancing between event staff and customers, items must be placed in the rear of the vehicle, such as the trunk of a car, the bed of a pickup truck or the

very back of an SUV. Items will not be accepted if in the front seat, back seat or if the driver attempts to hand an item to staff. In order to ensure everyone remains in their vehicle while at the point of service, items must not be in sealed or tied plastic bags. Staff are not allowed to open any plastic bag containing HHW.
